If your child will be 5 years old by September 1st, attend the Kinder Registration Event in your district to help your child and family have a great start to the school year!

Starting kindergarten is an exciting and emotional experience for families and their children. Many schools offer events, transition programs, and other opportunities for children and their families to meet school staff and classmates before the start of school.

Early registration makes sure that families will receive information about these opportunities and have a smooth transition to Kindergarten. Attend these events to register for Kindergarten and learn what other events school have planned through the Fall!

Si su niño cumple 5 años antes del 1 de septiembre, asista al Evento de Registración de Kinder en su distrito para ayudar a su hijo y a su familia a estar bien preparados para el año escolar.

Comenzar el kindergarten es una experiencia emocionante y emocional para familias y sus hijos. Muchas escuelas ofrecen eventos, programas de transición y otras oportunidades para que los niños y sus familias conozcan al personal escolar y a sus compañeros de clase antes del comienzo de la escuela.

La registración temprana asegura que las familias recibirán información sobre estas oportunidades y tendrán una transición más fácil al kindergarten. ¡Asista a estos eventos para registrarse en Kindergarten y aprender qué otros eventos la escuelas han planeado!
