

# Regional Inclusive Services Advisory Council

*NWRESD is seeking parents and educators in Washington, Columbia, Clatsop, and Tillamook counties.*

**Regional Inclusive Services** support students who experience complex needs to access inclusive education experiences. Services are provided via a state grant that ensures equitable services to all parts of the state. NWRESD's Regional Inclusive Services program serves approximately 3000 students from birth to age 21.

Members of the **Regional Advisory Council (RAC)** will:

- Learn about Regional Inclusive Services both within our region and statewide.
- Assist with determining priorities in our region for the 2024-2025 school year.
- Plan strategies to advocate for needed funding levels.
