

1 Go the **screening page** and select the group of students you'd like to add to the off-grade intervention.

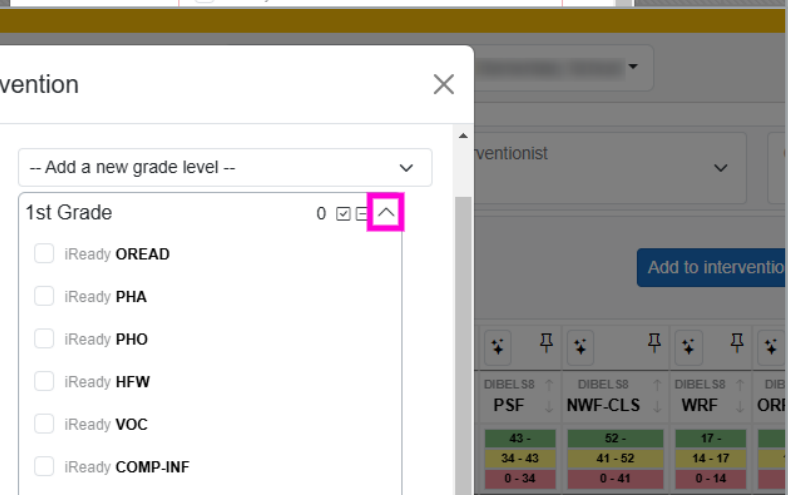

2 Click **Add to intervention (5)**

3 Click **-- Add a new grade level --**

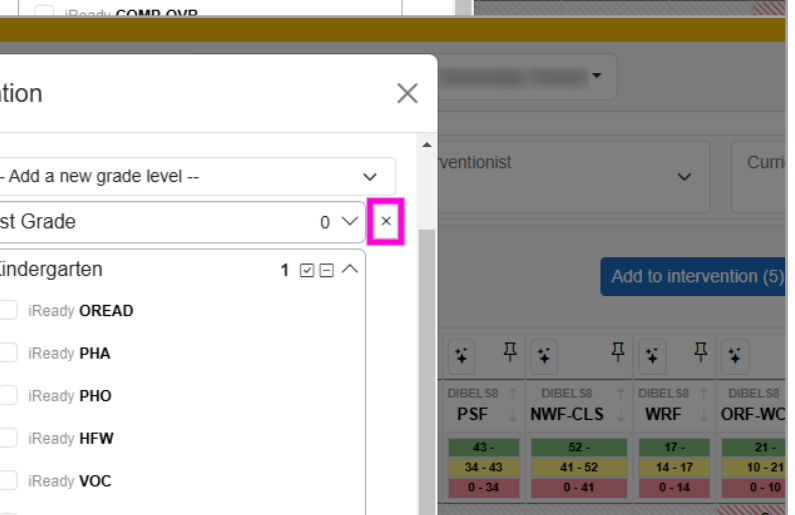

4 And select the new grade level.

5 To simplify the work you can click [here](#) to hide the current grade level.

6 If you prefer, you can also remove it by clicking [here](#).

The screenshots show the 'Assessments to monitor' section of the intervention creation form. In step 4, the 'Kindergarten' option is selected in the dropdown menu. In step 5, the 'hide' icon (an eye with a slash) is highlighted for the '1st Grade' row. In step 6, the 'remove' icon (an 'x') is highlighted for the '1st Grade' row.

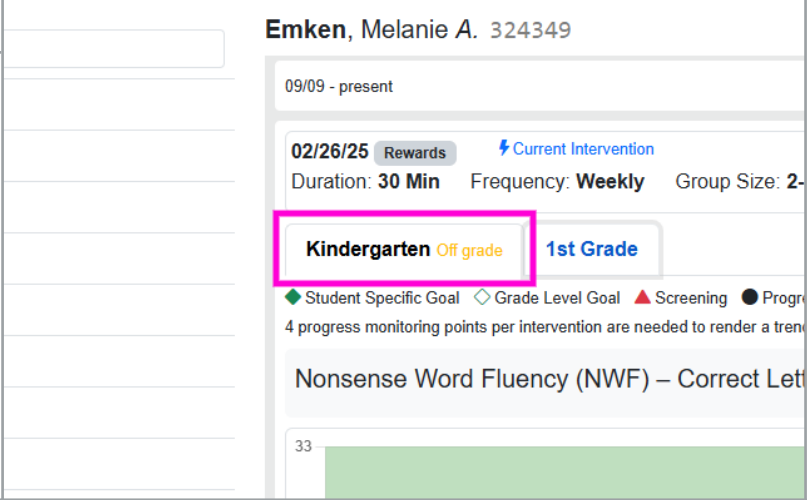

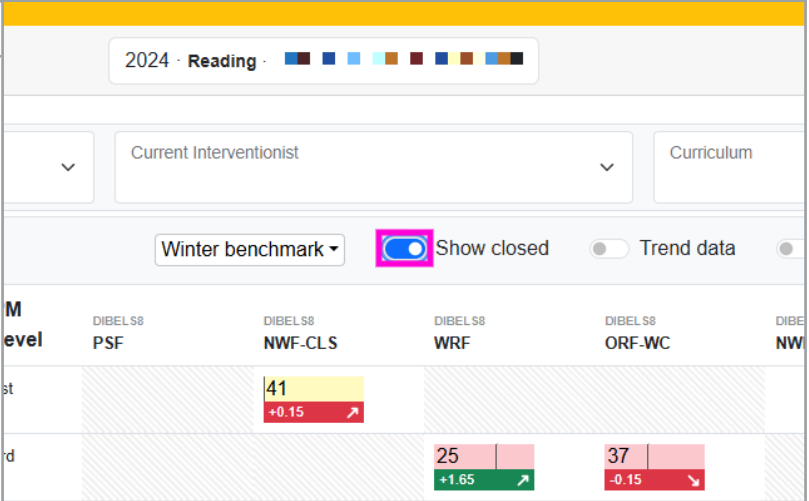

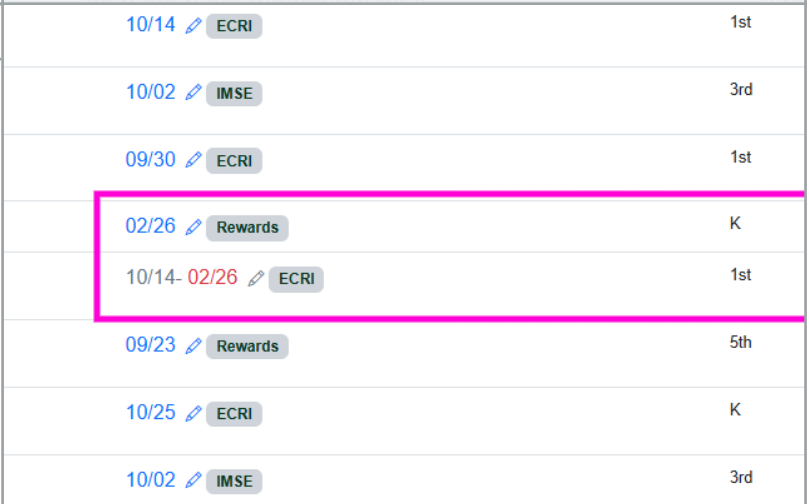

7 Complete the rest of the form and click **Submit**.

8 Go to the **Progress Monitoring** page.

9 Click on one of the students you recently added.

The screenshot shows three sequential steps in a software interface. Step 7 shows a form with a dropdown menu set to '2-5' and a 'Submit' button highlighted with a pink box. Step 8 shows a navigation bar with 'Progress Monitoring' highlighted in a pink box, and a table with columns for 'iReady OREAD', 'iReady PHA', 'iReady PHO', and 'iReady HFV'. Step 9 shows a list of students with checkboxes, where one student's name is highlighted with a pink box.
